

# Treadwall® Kore4/10 Rotating Walls

Top View

Front View

The Treadwall Kore4/10 is designed solely for residential, climbing focused use. It has a carefully sized climbing surface - 4 foot (1.22 m) wide by 8 foot (2.44 m) high that allows hard training within a small footprint. The wall's rotation is powered by the climber's weight - no motors are used. The wall angle is adjusted using the hand crank system, which allows on-going adjustments through three broad ranges. A lever mounted on the right side adjusts the speed to suit the user, and a patented auto-stop(tm) mechanism matches the movement of the wall to the climber's movements, gently braking when the climber's feet are at the bottom panel. The Kore4/10 is designed to fit under a 10 foot (3.1 m) ceiling. See the Kore4/11for higher ceilings. There is no Kore4/12 option.

## SPECIFICATIONS:

- Weight:** 1055 pounds (479 Kg).
- Construction:** Steel framework with custom-machined wood panels.
- Frame color:** Anthracite Gray is standard.
- Panel color:** Natural Wood.
- Placement:** Inside standard - outside with exterior upgrade.
- Width of climbing surface:** 4 feet (1.22 m).
- Total length of climbing surface:** 18 feet (5.49 m).
- Number of possible hold placements:** 180.
- Maximum hold size:** 2.5 inches (63.5 mm) high by 6 inches (152 mm) wide.
- Angle range:** negative 5 degrees to negative 35 degrees (overhanging).
- Mode of control:** Electro-hydraulic braking and resistance.
- Electrical requirements:** 9 VDC (1500ma) Plug-in transformer (supplied) or battery used.
- Warranty:** Two years parts. See full warranty for details.

## OPTIONS:

- Exterior upgrade:** Frame is galvanized and wood panels are coated with an exterior grade coating.
- Custom color:** Custom frame colors are available, contact us for your color
- Holds\*:** Set of 36 custom training holds in 3 color groups.
- Training rungs:** 13 ladder Line(tm) wood rungs.
- Floor Mat\*:** 8 feet (2.44 m) x 4 feet (1.22 m) custom mat, 1.25 inches (31.75 mm) dual foam, black 14 oz. vinyl cover.
- Electronic Display\*:** Measures distance (feet or meters), time and calories. Time and distance goals can be pre-set.

\*Included with Pro-package

Angle	Kore 10 (in)	Kore 10 (m)	Kore 11 (in)	Kore 11 (m)
